Campaign Update | July 13, 2026

It's been another busy week on the campaign trail meeting with residents and community stakeholders.

Campaign Activities

Since launching our canvassing on June 20, we've now completed our first round of conversations with residents in Centretown and have started knocking on doors in Little Italy. Thank you to everyone who has welcomed our team at the door. Every conversation helps build a stronger campaign.

Speaking Up for Our Community

Unexpected fireworks during Bluesfest last Thursday caught many residents off guard. This incident highlights the lost opportunity to communicate with our community, nearby residents, concert attendees, volunteers and employees on site, that fireworks were going to be launched. I hope future events include better communication so everyone can enjoy Ottawa's summer celebrations. I shared my concerns on social media.

You can Help!

Starting next month, we'll be hosting informal **coffee meetups** to connect with residents. If you'd like to host a gathering of neighbours in your home, or if you live in a multi-residential building and can host us in a common area, please email us at info@robertdekker.ca. A member of our events team will be in touch with you.

Join me on the campaign trail. For the week of July 13th, we will be canvassing on Friday evening as well as Saturday and Sunday daytime. We'd love to have you on the team. Volunteer here: <https://robertdekker.ca/join-roberts-team/>
