

Campaign Update | July 6, 2026

It's hard to believe it has already been two months since I registered as your candidate for Somerset Ward. Looking back, I'm amazed how much work happens behind the scenes before a candidate is ready to knock on doors and start connecting with voters.

Campaign Activities

We officially began canvassing on June 20, and it has been an incredibly positive experience.

Our team has received a warm welcome on doorsteps across Somerset Ward, and I've enjoyed the opportunity to meet residents, listen to their concerns, and introduce the three priorities guiding my campaign: *Safe Communities, a Revitalized Downtown, and Housing for All.*

On June 28, we hosted a campaign BBQ for my condo neighbours and friends. Thank you to everyone who came out to enjoy the evening, show support, celebrate the start of the campaign with us.

In July and August, I'll be canvassing Tuesday, Wednesday, and Thursday evenings and daytime on weekends. We'll send an email every weekend with the canvassing schedule for the coming week. I'd love to have you on the team. Click the button below to volunteer.
